

STEM Empowerment Workshop

**in Science, Technology,
Engineering and Math
for high school girls**

Hosted by Zeta Phi Beta Sorority, Inc., Omicron Omicron Zeta Chapter
in conjunction with DeVry University, North Brunswick, NJ

This workshop designed for high school girls will:

- Inspire girls to pursue STEM fields
- Enlighten girls about emerging STEM fields
- Help girls make school choices consistent with their career goals

Girls will:

- Tour the college campus
- Meet female students in STEM
- Participate in hands-on STEM activity
- Hear about STEM industries and career options

Friday, November 7, 2014
