## **FOR IMMEDIATE RELEASE – PRESS RELEASE**

### ***Holiday Brunch & Member Recruitment***

The National Coalition of 100 Black Women, Inc. (NCBW) Southern New Jersey Chapter, a 501(c) 3 non-profit organization, is having its Holiday Brunch & Member Recruitment on Saturday, December 13, 2014. It will be held at Scotland Run Golf Club, 2626 Fries Mill Road, Williamstown, NJ from 10 a.m. – 2 p.m. We are inviting like-minded women to join our organization.

In the spirit of this holiday season, the NCBW Southern New Jersey Chapter's 2014 charity drive will benefit the Camden County Women's Center located in Camden City. The Camden County Women's Center (CCWC) is under the umbrella of NJAC, a private 501 (c) 3 organization. CCWC is dedicated to assisting survivors of domestic violence. They also provide emotional support and information in a safe and confidential environment, and to teach an awareness and understanding of Domestic Violence.

During this event, members of the NCBW Southern New Jersey Chapter and members of the community will join efforts in providing one-size fits all sweaters, pajamas or travel size toiletries to the Center.

The NCBW SNJ Chapter is also participating in the Facebook – Global 2015 Official 15-Can Challenge event. Each Coalition member will donate 15 cans of food or vegetables for this worthy holiday cause. Over 400 cans are expected to be collected from the members.

NCBW Southern New Jersey Chapter engages in outreach and fundraising activities that support community projects and assist in targeted program sponsorships. NCBW SNJ Chapter also develops and sustains positive relationships with stakeholders in Southern New Jersey.

For more information about membership, contact Lillie Wells, 3<sup>rd</sup> Vice President of Membership and Chapter Development, President Emeritus, BOD – [mslill01@comcast.net](mailto:mslill01@comcast.net)

**Mission:** To advocate on behalf of black women and other women of color through national and local actions and strategic alliances that promote leadership development and gender equity in the areas of health, education and economic empowerment.
