***Debra H. Branch, Esq.***  
*Former NJ Ombudsman for  
Institutionalized Elders*

*Everyone Should Have a Plan!!!*

- What would happen if you were in an accident and unable to make medical decisions, who would make them for you?

- Parents – If you passed away unexpectedly, would you want the court to decide who gets custody of your children?

- Business Owners – What would happen to your business should you become totally disabled?

Do you have in place and/or a clear understanding of:

- Wills • Living Wills • Power of Attorney
- Revocable Living Trusts • Estate Taxes?
